

**USA SURFING
LONGBOARD ATHLETE SELECTION PROCEDURES
ANOC WORLD BEACH GAMES SAN DIEGO 2019
13 MARCH 2019**

1. SELECTION SYSTEM

1.1. Provide the minimum eligibility requirements for an athlete to be considered for selection to the Team:

1.1.1. Nationality/Passport requirements:

- Athlete must be a national of the United States at the time of selection.
- Athlete must hold a valid U.S. passport that will not expire for six months after the conclusion of the Games.

1.1.2. Minimum International Olympic Committee (IOC) standards for participation:

Any competitor in the ANOC World Beach Games must be a national of the country of the National Olympic Committee (NOC) which is entering such competitor. For additional information regarding an athlete who is a national of two or more countries, has changed his or her nationality or acquired a new nationality, refer to the Olympic Charter (Rule 41).

1.1.3. Minimum International Surfing Association (ISA) standards for participation:

- Athletes must have signed and submitted the Athlete Eligibility Condition Form.

1.1.4. Other requirements:

- Athletes must have successfully completed all Games Registration requirements by stated deadline.
- Athlete must be a member in good standing with USA Surfing at the time of selection.

1.2. Tryout Events:

1.2.1. Provide the event names, dates and locations of all trials, events and camps to be used as part of the selection process.

The following qualification pathways are the methods in which quota places are earned for the ANOC World Beach Games, in accordance with the

Qualification Guidelines in ANOC WBG's Technical Handbook
(<http://www.anocolympic.org/beach-games/>).

- 2019 International Surfing Association (ISA) World Longboard Surfing Championships (WLSC), 26 May – 2 June 2019; Biarritz, France
- 2018 WSL Longboard Tour Rankings
 - Men's: www.worldsurfleague.com/athletes/tour/mlt?year=2018
 - Women's: www.worldsurfleague.com/athletes/tour/wlt?year=2018
- Pan American Surfing Association (PASA) Games Lima 2018, December 2 – 9, 2018, Lima, Peru

1.2.2. Provide event names, dates, locations and description of how athletes qualify for the trials, events and camps listed above in 1.2.1.

For the second and third qualifiers listed in 1.2.1., USA Surfing fielded teams for the 2018 WSL Longboard Tour events, however, was not able to send a Longboard team to the PASA Games Lima 2018.

For the 2019 ISA World Longboard Surfing Championships:

- USA Surfing will hold a Longboard Qualifying Trials on 6 May 2019 at Church Beach, Sand Onofre State Beach, California.
- The following athletes from both Hawaii and Mainland USA will be invited:
 - All ranked 2018 WSL International Longboard surfers
 - ISA 2018 World Longboard Championship participants
- The top two (2) male and top two (2) female finishing athletes will be named to the ISA WLSC Team to compete in France.
- Should an athlete decline a position or be unable to compete for any reason on the ISA WLSC Team, the place on the Team will go to the next highest finishing athlete from the Qualifying Trials until the Team is filled.

1.3. Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process (include maximum Team size).

Maximum team size for the ANOC World Beach Games for Longboard is two (2) males and two (2) females.

Quota places are allocated as follows:

- 2019 ISA WLSC: Two quota places per country and gender will be allocated to the top three (3) teams at the competition; One quota will be allocated per country for the next two (2) highest placed teams (4th and 5th) at the competition.

- Each country's place finish will be determined separately for the Men's & Women's Teams from the 2019 ISA WLSC.
- 2018 WSL Longboard Tour: The two highest ranked eligible surfers per gender whose country's quota has not already been met through the 2019 ISA WLSC will earn quota places.
- PASA Games Lima 2018: The top team in Open Longboard Division earns a country quota place, unless already qualified through the criteria above.

USA Surfing will make every effort to fill all quota places earned. Whenever quota places are allocated to the NOC (by country), USA Surfing will fill the quota places in the following priority order:

- The athlete(s) who earned the quota place(s) will be offered the position on the ANOC World Beach Games Team.
- If the athlete who earned the quota place declines his/her position, USA Surfing will offer the position to the athlete who had the next highest finish at the Longboard Qualifying Trials.
- If a position(s) still remains unfilled, USA Surfing will make discretionary selections of eligible junior surfer(s) (see Section 2 below).

2. DISCRETIONARY SELECTION

2.1. Provide rationale for utilizing discretionary selection (if any):

In the unlikely scenario USA Surfing offers a place on the ANOC WBG Team in rank order to all entries from the 6 May 2019 Longboard Qualifying Trials in order to fill an open position on the Team, and everyone declines, USA Surfing will use a discretionary selection of an eligible junior.

2.2. List the discretionary criteria and explain how they will be used (if any):

A three-member panel will make the discretionary selection based on the athlete who, in no particular order:

1. Has shown outstanding results in the junior ranks
2. Exhibits long term potential
3. Would benefit most from the international exposure and experience

2.3. Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members' titles currently serving on the committee:

Greg Cruse, CEO
Colin McPhillips, Head Coach, Longboard
Courtney Conlogue, Athlete, AAC, & BOD member

- 2.3.1. Specify the process that will be used to identify and handle any potential conflicts of interest involving a member of the committee:

Any member of the selection committee that has a possible conflict of interest must disclose it. If such conflict exists, the selection committee member must recuse him/herself from committee discussions and voting. Further, the committee member should not otherwise influence other members of the committee in the selection process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, for example a national team coach or high-performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member who declared the conflict of interest does not vote toward the final decision.

3. REMOVAL OF ATHLETES

- 3.1. Prior to entry by name to the Local Organizing Committee by the USOC, USA Surfing has jurisdiction over potential nominees.

An athlete who is to be nominated to the Team by USA Surfing may be removed for any of the following reasons, as determined by USA Surfing:

- 3.1.1. Voluntary withdrawal. Athlete must submit a written letter to the USA Surfing CEO.
- 3.1.2. Injury or illness as certified by a physician (or medical staff) approved by USA Surfing. If an athlete refuses verification of his/her illness or injury by a physician (or medical staff) approved by USA Surfing, his/her injury will be assumed to be disabling and he/she may be removed.
- 3.1.3. Failure to participate in Mandatory Training and/or Competition as defined in Section 9 of these procedures.
- 3.1.4. Violation of the USA Surfing Athlete Agreement / Code of Conduct: <https://www.usasurfing.org/uploads/1/1/3/5/113568407/athletes-codeofconduct09.22.11.pdf>

An athlete who is removed from the Team pursuant to this provision has the right to a hearing per the USA Surfing Bylaws, Section 13:13, and the USOC's Bylaws, Section 9.

- 3.2. Once athlete entries have been submitted to the Local Organizing Committee by the USOC, the USOC has jurisdiction over the Team, at which time, in addition to any applicable USA Surfing Code of Conduct, the USOC's Code of Conduct and Grievance

Procedures apply. The USOC's Code of Conduct and Grievance Procedures can be found at:

4. REPLACEMENT OF ATHLETES

- 4.1. Describe the selection and approval process for determining replacement athlete(s) should a vacancy occur:

- 4.1.1. Prior to submission of Entries by Name to the Local Organizing Committee, including any applicable group or committee:

- If the quota place that needs to be filled has been allocated to the country (not to the athlete by name), the next highest ranked athlete through the process described in section 1.3. above will serve as the replacement athlete.
- Open quotas may also be reallocated by International Surfing Association (ISA).
