Leaders have an ongoing duty to disclose. If a potential or existing leader is under investigation for, or has been formally accused of, any of the above infractions, that individual may be asked to suspend his/her candidacy or leadership role until the investigation or accusation has been adjudicated. The Board's Ethics Committee or their designee will receive disclosures and resolving questions and disputes in eligibility and the application of these qualifications for service.

the United States Surfing community, including Affiliated Organizations (as defined in Section 6.6(c)), with no single constituency, such as employees of surfing brands or board members of affiliated organizations, comprising a majority of directors.

Section 6.6 Election/Selection.

For an initial Board of Directors, as defined when at least $\frac{3}{4}$ of the board members have been removed or otherwise vacant, and a new slate of board members must be populated, the Chair of the Board, with the affirmative vote of the remaining board members if any, may directly elect directors that fit the eligibility standards as set forth below. If there are no board members on a board, the Nominating and Governance Committee shall directly elect and fill the director positions. This will ensure that the board is properly populated.

Eligible directors shall be elected at the annual meeting of the Board of Directors and shall hold office until the end of their term, as further delineated in Sections 6.8 and 6.9 below.

USA Surfing's Board of Directors shall be elected/selected as follows:

- a. *Independent Directors.* At least one-third (1/3) of the Board directors shall be Independent Directors as defined in Section 6.7. The Nominating and Governance Committee shall submit candidates to the Board of Directors for approval, using whatever process the Nominating and Governance Committee and the Board of Directors determine to be appropriate, but at a minimum demonstrate the candidate was properly vetted against the definition of independence.

- b. *Athlete Directors*¹. At least one-third (1/3) of the Board directors shall be Athlete Directors with at least twenty percent (20%) of the total Board directors meeting the "NGB² 10 Year Athlete" qualifications, as defined in the USOOC Bylaws³. The remaining Athlete Director(s) can meet the USOPC "NGB 10 Year Athlete" or "NGB 10 Year+ Athlete" definition. (1) Athlete Director will be the Representative to the Team USA Athletes' Commission. All other Athlete Directors will be directly elected by the entire pool of athlete members eligible to run.

At least half of these athlete representatives will have obtained 10 Year Athlete or 10 Year+ Athlete eligibility through competing at a USOPC Delegation Event, as defined by the USOPC at the time of election/selection.

¹ A Director who meets the NGB 10 Year Athlete or 10 Year+ Athlete definition, but was not elected as an Athlete Director, will not fulfill the requirements to be considered an Athlete Director.

² The terms "NGB 10 Year Athlete" and "NGB 10 Year+ Athlete" are defined terms in the USOPC Bylaws.

³ Any reference to a definition from an alternate entity (e.g. USOPC) will be construed with the understanding that the definition may be amended from time to time. The definition at the time of its application, and not on the effective date of these Bylaws, will be utilized.

An athlete who is an NGB 10 Year Athlete at the time of their election shall remain an NGB 10 Year Athlete for the purposes of calculating the percentage representation on the board for the full duration of their term as an Athlete Director, even if the athlete no longer meets the requirement at some point during their term (i.e., the athlete's most recent qualifying competition ages beyond the ten-year mark during their term).

An Athlete Director elected as an NGB 10 Year Athlete whose most recent qualifying competition was more than ten years prior shall not remain an NGB 10 Year Athlete for the purposes of this requirement in a subsequent term if they continue to serve beyond the term where they were first elected as an NGB 10 Year Athlete.

USA Surfing's Representative on the Team USA Athletes' Commission⁴ shall automatically be an Athlete Director on the board (and will be included towards the athlete representation of the board's voting members).

USA Surfing's Alternate on the Team USA Athletes' Commission will be and *ex officio* director on the Board, with a voice but no vote, and will not be included as part of the minimum USOPC athlete representation requirements. Should an additional USA Surfing athlete hold a leadership position on the Team USA Athletes' Commission, they will also have an *ex-officio* seat on the USA Surfing Board.

The USA Surfing Athletes' Advisory Council and the Nominating and Governance Committee will develop a process to jointly identify and vet the eligibility of candidates to serve as the NGB 10 Year Athletes and NGB 10 Year+ Athletes. The USA Surfing Athletes' Advisory Council will develop and run⁵ the election process for the Athlete director seat, except for the Team USA Athlete Commission Representative.

- c. *Affiliated Organization Director.* USA Surfing shall have an Affiliated Organization member that represents the nature, scope, quality, and strength of the programs and competitions of the Affiliated Organization members in relation to all other programs and competitions in surfing in the United States.

If there is no Affiliated Organization member, then the Affiliated Organization director seat will either be filled by a General Director, or left vacant.

⁴ USA Surfing's Representative and Alternate to the Team USA Athletes' Commission must be elected consistent with the Team USA Athletes' Commission Bylaws and any applicable procedures published by the Team USA Athlete' Commission.

⁵ The USA Surfing Athletes' Advisory Council may seek independent assistance with the election process, which could be through USA Surfing or elsewhere.

Should this role be vacant, the seat will not count towards to the total membership of the Board of Directors for the purposes of calculating one third athlete composition nor calculation of quorum. The seat will be immediately filled and count towards the calculation of the proportion of athlete composition and quorum requirements upon the identification of a qualified Affiliated Organization member.

If there is one (1) Affiliated Organization member, then that organization shall select a qualified individual to serve as the Affiliated Organization director, in accordance with a written process they develop. If there is more than one (1) Affiliated Organization member, then the Affiliated Organizations as a group shall select a qualified individual to serve as the Affiliated Organization director, with a written process they develop. Affiliated Organizations qualify as a General Director representative.

- d. *General Director.* General Directors shall be members of USA Surfing in good standing with consideration from appropriate representation in the United States Surfing community, including an Affiliated Organization Director if applicable, with no single constituency, such as employees of surfing brands or members of affiliated organizations, comprising a majority of directors. The Nominating and Governance Committee shall vet and recommend a slate of candidates for Board vote.

Section 6.7 Independence.

The Board, through its Nominating and Governance Committee, shall affirmatively make a determination as to the independence of each Independent Director, and disclose those determinations. Under the definition of “independence” adopted by the Board, an “Independent Director” shall be determined to have no material relationship with USA Surfing, either directly or through an organization that has a material relationship with USA Surfing. A relationship is “material” if, in the judgment of the Nominating and Governance Committee, it would interfere with the director’s independent judgment. To assist it in determining whether a director is independent, the Board shall adopt the guidelines set forth below, which shall be applied on a case-by-case basis by the Nominating and Governance Committee.

A director shall not be considered independent if, within the preceding two (2) years:

- a. the individual was employed by or held any governance position (whether a paid or volunteer position) with USA Surfing⁶, ISA, the Pan American Surf Association, or any sport family entity connected to USA Surfing;
- b. an immediate family member of the individual was employed by or held any

⁶ If an individual serves on a USA Surfing Committee as an independent committee member, and does not take 2 years stepping away from the NGB, may still be considered for an Independent Director board seat, if they have continued to meet all other criteria for an independent perspective.

- governance position (whether a paid or volunteer position) with USA Surfing, ISA, Pan American Surf Association, or any sport family entity connected to Surfing;
- c. the individual was affiliated with or employed by USA Surfing's outside auditor or outside counsel;
 - d. an immediate family member of the individual was affiliated with or employed by USA Surfing's outside auditor or outside counsel as a partner, principal or manager;
 - e. the individual is/was a member of USA Surfing's Athletes' Advisory Council;
 - f. the individual is/was a member of any constituent group with representation on the Board;
 - g. the individual receives or received any compensation from USA Surfing, directly or indirectly; or
 - h. the individual is/was an executive officer, controlling shareholder, or partner of a corporation or partnership or other business entity that does business with USA Surfing.
 - i. The individual is/was a member of USA Surfing in a membership category that participates in competitions; or
 - j. The individual is/was the parent, close family member, coach of an athlete or member who participates in a Protected Competition, as defined by the USOPC.

Where the guidelines above do not address a particular relationship, the determination of whether the relationship is material, and whether a director is independent, shall be made by the Nominating and Governance Committee.

The director must maintain an independent perspective by maintaining the requirements above for the entire term and any successive term, with the exception of holding any governance role in USA Surfing, ISA, Pan American Surf Association, or sport family entity connected to USA Surfing. An Independent Director retains independence for accepting compensation only for the reasonable reimbursement of related expenses as part of their board duties.

Section 6.8 Staggered Board.

Directors of the Board shall be elected/selected to implement a staggered Board system. Directors serve for a term of four (4) years, half ending December 31 of the year following the Olympic Games quadrennium, as defined in the USOPC Bylaws, and half ending December 31 of the mid-quad. The Team USA Athlete Commission representative and alternate (*ex-officio*) will be on the quad term, with the other athletes ending mid-quad. Half of the Independent Directors shall end on a quad term, half on a mid-quad term. Half of the

General Directors shall end on a quad term, half on a mid-quad term with the Affiliated Organization member seat ending mid-quad. For the purposes of the initial board (when at least $\frac{3}{4}$ of board members replaces an old board), except for the Team USA Athlete Representative, half of the directors will serve a two-year term, and the other half will serve a four-year term. The directors serving a two-year term will be considered a full term. The Nominating and Governance Committee shall designate prior to election/selection of a Board member whether a director is serving a quad or mid-quad term.

Section 6.9 Term.

The term of office for a director of the Board shall be four (4) years. A director's term shall end on December 31 of an even-numbered year and new director's term shall begin on January 1st of the following odd numbered year. If a vacancy remains on January 31st, that position will be filled within sixty (60) days or by the next regularly-scheduled meeting of the Board, whichever is earlier. A director shall hold office until the director's successor is elected and qualified, or until the director's earlier resignation, removal, incapacity, disability or death.

Section 6.10 Term Limits.

No director of the Board shall serve more than two (2) consecutive terms. A director elected/selected for a two (2) year term shall be eligible to serve only one (1) additional four (4) year term immediately following the two (2) year term.

When a director is elected/selected to fill a vacancy because of the resignation, removal, incapacity, disability or death of a director, and the remaining term is for two (2) or more years, such term shall constitute a full term. Thus, if the vacancy being filled is for two (2) or more years, the director may serve one additional four (4) year term immediately following the two (2) year term. If the vacancy being filled is for less than two (2) years, the term shall not be a full term. Thus, the director shall be able to serve two (2) additional four (4) year terms following completion of the filled vacancy term.

Section 6.11 Director Attendance.

Directors of the Board shall be expected to attend in-person all regularly scheduled Board meetings. Joining in a meeting by conference telephone, electronic video screen communication or electronic transmission, or other such means long as all directors participating in the meeting are able to hear one another shall meet the requirements for in-person). Such participation shall constitute presence in-person at the meeting for purposes of a quorum and voting. . Directors shall be required to attend no less than one half (1/2) of all regularly scheduled Board meetings during a twelve (12) month period.

Section 6.12 Resignation, Removal and Vacancies.

A director's position on the Board shall be declared vacant upon the director's resignation, removal, incapacity, disability or death, or in the case of the Team USA Athlete Commission Representative if a Representative has not been elected. Any director may resign at any time by giving written notice to the Chair of USA Surfing, except the Chair's resignation, which shall be given to the remaining Board of Directors. Such resignation shall take effect at the time specified in the written notice, and unless otherwise specified in the written notice, the acceptance of such resignation shall not be necessary to make it effective.

Directors shall be removed by the Board if they fail to attend in-person more than one half (1/2) of the regular meetings of the Board during any twelve (12)-month period, unless they are able to demonstrate to the other directors of the Board that the presence of exigent circumstances caused and excused the absences. In such circumstances, the absent director shall be removed by the affirmative vote of a majority of the voting Board members (including Athlete Directors), or for an Athlete Director, upon the affirmative vote of a majority of the total voting power of the remaining Athlete Directors.

Directors shall also be removed without cause at any duly noticed meeting of the Board, upon the affirmative vote of at least three-fourths (3/4) of the total voting power of the remaining Board members (including Athlete Directors).

Any vacancy occurring in the Board shall be filled as set forth for the election/selection of the director of the Board. A director elected to fill a vacancy shall be elected for the unexpired term of such director's predecessor in office.

No director shall be subject to removal or to not being re-nominated based on how they vote as a director, unless such voting is part of a violation of USA Surfing's Code of Ethics, Code of Conduct or Conflict of Interest Policy.

If an Athlete Director who is USA Surfing's Team USA Athletes' Commission Representative is removed from USA Surfing's Board, or the seat otherwise becomes vacant, then the Alternate shall fill the vacancy and become a voting Athlete Director. If both the Team USA Athletes' Commission Representative and Alternate seat are vacant, another athlete meeting the qualifications for an athlete director shall fill that seat in the interim.

Regardless if the Team USA Athletes' Commission Representative or Alternate (if the alternate is an Athlete Director on the board) is removed as a voting member, they will stay on the board as an *ex-officio* board member based on their status on the Team USA Athletes' Commission.

Section 6.13 Regular and Special Meetings.

The Board of Directors by resolution may establish a schedule of regular meetings of the Board. USA Surfing's Board shall meet at regularly scheduled meetings at least three (3) times per year, or with such other frequency as is appropriate for the Board to meet given

the circumstances, and such meetings shall be spaced throughout the year. Special meetings of the Board shall be held upon the call of the Chair or upon the written request of not less than fifty percent (50%) of the Board.

Section 6.14 Notice of Meetings.

Notice of each meeting of the Board of Directors stating the date, time and place of the meeting, and in the case of a special meeting the purpose for which the meeting is called, shall be given to each director of the Board by or at the direction of the Chair of the Board. Notice may be given either in writing or orally. Written notice may be delivered either personally, by mail, by private carrier, by facsimile or by electronic transmission. Such notice shall be delivered to the director's business or residential address (or to such other address provided by the director for such purpose), to the director's facsimile telephone number or to the director's email address. Written notice shall be delivered no fewer than four (4) days before the date of the meeting. If mailed, such notice shall be deemed delivered when deposited in the United States mail. If delivered by private carrier, such notice is deemed delivered upon deposit with the carrier. If transmitted by facsimile or electronic transmission such notice shall be deemed to be given when the transmission is complete. Oral notice may be delivered either personally or telephonically, including a voice messaging system or by electronic transmission. Such notice shall be delivered to the director (or to such other individual provided by the director for such purpose). Oral notice shall be delivered no fewer than forty-eight (48) hours before the date of the meeting. Oral notice is effective when communicated. The method of notice need not be the same as to each director.

A director may waive notice of any meeting before, at, or after such meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 6.15 Quorum.

A simple majority of the directors of the Board in office immediately before the meeting begins shall constitute a quorum for the transaction of business at any meeting of the Board. If less than a quorum is present at a meeting, a majority of the directors present at the meeting may adjourn the meeting from time to time without further notice other than an announcement at the meeting, until a quorum shall be present.

Section 6.16 Action of the Board/Consent.

The act of a majority of directors on the Board present at a duly called meeting in which a quorum is established shall constitute an act of the Board.

The unanimous written consent of all directors on the Board, collectively, shall also constitute an act of the Board.

Section 6.17 Voting by Proxy.

No director may vote or act by proxy at any meeting of the Board.

Section 6.18 Presumption of Assent.

A director who is present at a meeting of the Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless such director's dissent shall be entered in the minutes of the meeting or unless the director shall file a written dissent to such action with the individual acting as the Secretary of USA Surfing before the adjournment of the meeting. Such right to dissent shall not apply to a director who voted in favor of such action.

Section 6.19 Action Without a Meeting.

Any action required or permitted to be taken at a meeting of the Board of Directors may be taken without a meeting if each and every director of the Board in writing either: (i) votes for such action; (ii) votes against such action; or (iii) abstains from voting. Each director who delivers a writing described in this Section 6.19. to USA Surfing shall be deemed to have waived the right to demand that action not be taken without a meeting. The written consent or consents shall be filed with the minutes of the proceedings of the Board.

Section 6.20 Transacting Business by Mail, Electronic Mail, Telephone, Electronic Video Screen Communication or Electronic Transmission.

The Board shall have the power to transact its business by mail, electronic-mail, facsimile, conference telephone, electronic video screen communication or electronic transmission (pursuant to Cal. Corp. Code Section 5211 (a)(6)) by and to USA Surfing, if in the judgment of the Chair of the Board, the urgency of the case requires such action.

Section 6.21 Agenda.

The agenda for a meeting of the Board shall be set by the Chair of the Board after consultation with the CEO. A director may request that items be placed on the Board agenda.

Section 6.22 Questions of Order and Board Meeting Leadership.

Questions of order shall be decided by the Chair of the Board unless otherwise provided in

advance by the Board. The Chair shall lead meetings of the Board. If the Chair is absent from any meeting of the Board, then the Chair shall designate in writing in advance one (1) other director of the Board to preside. If the Chair is unable to make or has not made such a designation, the Board may choose another director to serve as presiding officer for that meeting.

Section 6.23 Effectiveness of Actions.

Actions taken at a meeting of the Board of Directors shall become effective immediately following the adjournment of the meeting, except as otherwise provided in the Bylaws or when a definite effective date is recited in the record of the action taken.

Section 6.24 Open and Executive Meeting Sessions.

Ordinarily, all meetings of the Board of Directors shall be open to USA Surfing members. In the event the Chair of the Board, with the consent of a majority of the directors of the Board in attendance, deems it appropriate: (i) to exclude members at an open meeting for any reason, then the Chair may declare that the meeting is closed, or (ii) to convene an executive session to consider and discuss matters relating to personnel, nominations, discipline, budget, salary, litigation or other sensitive matter, then the Chair may specifically designate and call an executive session. Further, the Chair of the Board may open a meeting of the Board to non-members, with the consent of a majority of the directors of the Board in attendance.

Section 6.25 Minutes of Meetings.

The minutes of all Board meetings and the consent or consents shall be published on USA Surfing's website within thirty (30) days after approval of the minutes by the Board at its subsequent meeting. Meeting minutes shall make note of the attendees at meetings, motions taken, and shall note whenever a meeting participant declares a conflict of interest and recuses him or herself, or limits participation as determined by the Ethics Committee, due to that conflict of interest. For an executive session, the meeting minutes should capture the high-level topics covered in the course of that session.

Section 6.26 Compensation.

Directors of the board, including the Chair and any other officer who is also a director on the board, shall not receive compensation for their services as directors, although the reasonable expenses of directors may be paid or reimbursed in accordance with USA Surfing's policies. Directors are disqualified from receiving compensation for services rendered to or for the benefit of USA Surfing in any other capacity. Athlete Directors, however, shall be entitled to obtain compensation from USA Surfing only in connection with their capacity in the sport, including all benefits to which all elite athletes are eligible.

USA Surfing shall also cover the costs and expenses of Athlete Directors who travel to a meeting of the Board of Directors held at a physical location, if they are able to attend.

Section 6.27 Vote of Retention After Four Years.

If a director has been elected to and served four years, they may choose to stand for a vote of retention. The USA Surfing Board will vote as to whether an Independent Director and General Director will be so retained to serve another four years of service or whether that director position will be opened to be filled by a new director. If there is an Affiliated Director, the Affiliated member(s) will vote as to whether the Affiliated Director will be so retained to serve another four years of service or whether that director position will be opened to be filled by a new director. The USA Surfing Athletes' Advisory Council will vote as to whether an Athlete Director will be so retained according to the election procedures established by that body.

Section 6.28 Censure.

USA Surfing's Board of Directors reserves the right to censure any director for conduct the Board does not condone or endorse. Examples of conduct that may qualify for censure include, but not limited to, a breach of the director's fiduciary duties; improper or offensive conduct toward other Board members, members, sponsors, vendors, or employees; conflicts of interest that the director failed to disclose; disruption of Board meetings; violations of SafeSport policies; violations of anti-doping policies; formal government accusation or conviction of a criminal offense that may lead to incarceration. A censure does not remove a director from the Board.

SECTION 7. OFFICERS

Section 7.1 Designation.

- b. *Other Officers.* USA Surfing may also have, at the discretion of the directors, such other officers as may be appointed by the Directors.

The removal of an officer (who is also a board member) from his or her position as an officer does not require removal from his/her position on the Board.

Any vacancy occurring in the Chair, the Treasurer or Secretary shall be filled by the Board, by majority vote. A Chair, Treasurer or Secretary elected to fill a vacancy shall be elected for the unexpired term of such officer's predecessor in office.
